

## INTRODUCING OUR NEW POWERED ACCESS AREA MANAGER

We are delighted to announce the appointment of **Chris Savage** as our new **Powered Access Area Manager**, based at our **Reading Depot**. Chris will be joining us in early April, bringing with him a wealth of experience from the Powered Access industry, having previously worked with several major competitors.

In his new role, Chris will be responsible for driving business growth, expanding our modern fleet of booms, scissors, and tracked access platforms, and further extending our customer base and area of operations. His industry knowledge, strategic insights, and extensive professional network will be instrumental in taking our Powered Access division to new heights.

A keen motorsport enthusiast, Chris is eager to take on this challenge and contribute fresh ideas to the business. His expertise and dedication will help us continue delivering exceptional service, reliable equipment, and innovative solutions to our valued customers.

Chris Savage  
Powered Access Area Manager

### About Claude Fenton Plant Hire

Since entering the Powered Access industry in the late 1980s, Claude Fenton Plant Hire has grown steadily, embracing advancements in machinery technology and safety standards. We are proud holders of both IPAF Rental+ accreditation and Approved Training Centre status, ensuring we provide the highest level of service to our customers. With satellite depots in Southampton and Swindon, we are well-positioned to serve clients across the central southern region.

We are confident that Chris will play a key role in our continued success. Please join us in welcoming him to the Claude Fenton Plant Hire team!
